Treasurer	Carol Dana
Member At Large	Herme Sherry

My trip to Atlantic City NJ for Ms Senior America was truly amazing!! I was treated like a "Queen" from the flight there, to the limo ride, to the hotel, and everything between and during my stay. To be one of 48 women from all over the US to have the opportunity to experience the Pageant was a dream come true!! Each phase of the competition held its own challenges, but I did the best that I could to

represent our wonderful state and the AZ Cameo Foundation. Having the chance to share stories, talents, beauty secrets, and just "life" with all of these incredible women was something that will stay in my memories forever!

Although I didn't bring home the "crown", I still feel like a winner because of all of you! I want to say thank you once again for all of your love and support throughout my reign as Ms Senior AZ. Though my time is growing short and a new Queen will soon be crowned I will cherish this time in my life, and all of the new friends that I have gained for the rest of my life.

I grew up in Ripestem, WV. I have been a substitute teacher for 11 years and presently a Mary Kay Beauty Consultant. I was married for 13 years and have two sons and a daughter: Christopher, a Lieutenant Colonel in the Army who has earned a bachelor of Science degree in Accounting & a Masters in Business. Greg who has been in the Navy Reserves for 16 years and Sabrina who earned a degree in Business Administration from ASU & a Masters from Grand Canyon University. She is currently in sales and a manager of T-Mobile.

I have a Bachelor of Science degree in Home Economics and six hours in Special Education from West Virginia University. I also have a Business Certificate from the Skilled Training Center in Morgantown, WV.

I have participated in the MS Senior Arizona Pageant for the past two years and a member of the Cameo Club. My talent is singing.

Did you know?... There are many words that convey the same activity as a potluck social. Potluck dinners are called a smorgasbord, dish party, spread, and Jacob's join. The menu is unknown at a potluck dinner because the meal is not planned. No one knows exactly what will be brought.
